WHEN LUXURY, IT'S

MAISON

MADE IN KOREA

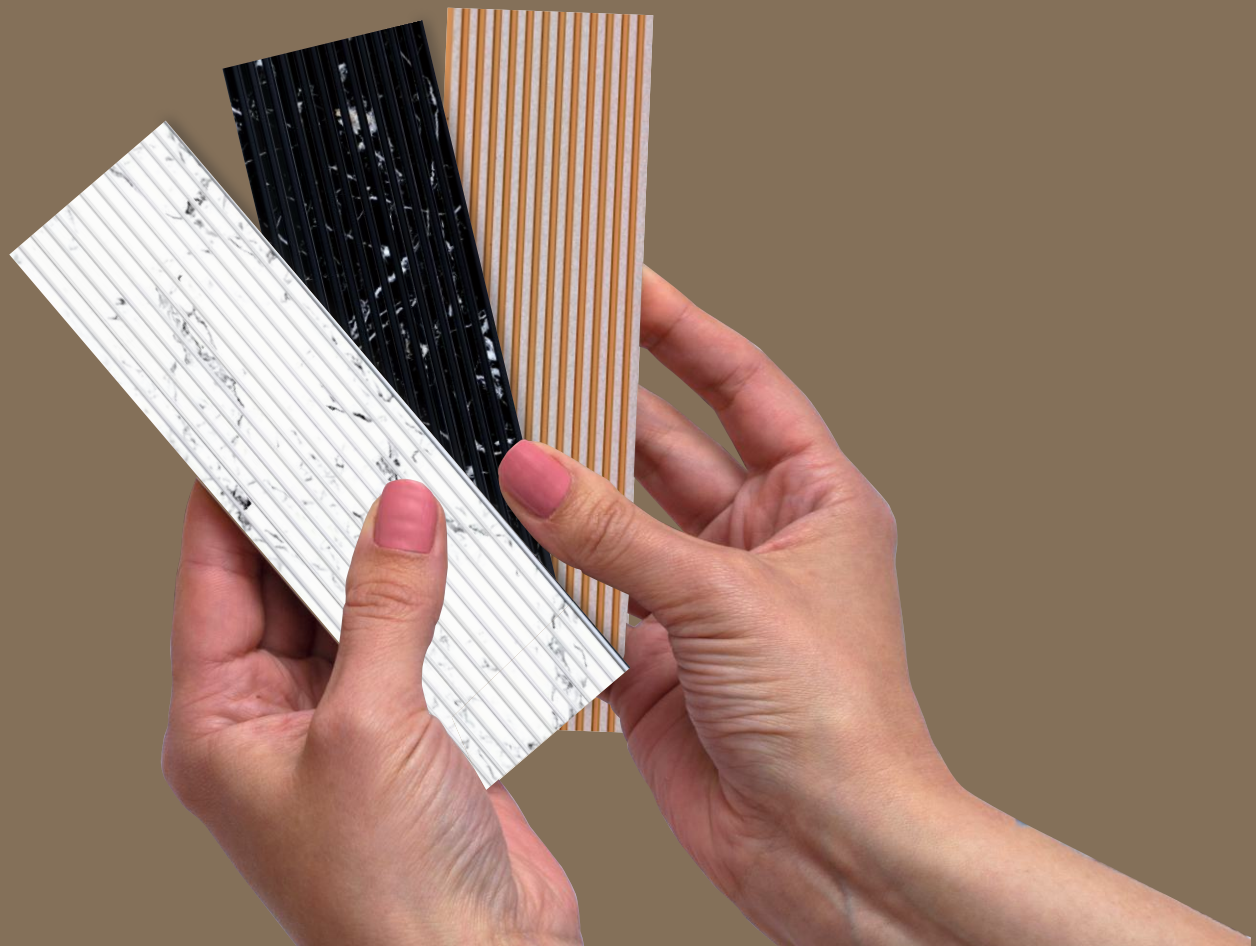

Maison Panels are interlocking panels commonly used in interior design. These decorative panels are designed for wall paneling and offer the convenience of being pre-finished. With easy installation, Maison Panels provide a hassle-free solution for enhancing the aesthetics of interior spaces.

One of the notable features of Maison Panels is the wide variety of textures available. This allows for versatile design options, catering to different styles and preferences. With wide range to choose from, customers have ample choices to find the perfect fit for their interior decor.

Size: 2920mm X 120mm (9.5' fts. x 5" in.) | Thickness: 8mm
